### Govt.Degree College Pulwama Organises One Day Seminar on 'The Role of Women in the Conservation of Environment '

In connection with the environment week celebrations, the Women Development Cell of the college in collaboration with the Department of Botany organised a day long seminar on 10th of June 2024 under the patronage of Dr Haris Izhar, worthy Principal of the college. The inaugural session of the seminar commenced with the introductory remarks by Prof. Sameena Mushtaq .In her remarks she beautifully linked the green consumption behavior with femininity by quoting various instances from day to day life. It was followed by the welcome address delivered by Prof. Irfana Rasool, Convener Women Development Cell wherein she extended a very warm and cordial welcome to all the participants and also briefly reiterated the role of women vis a vis environment conservation. Prof.Masood Majaz Head, Department of Botany in his keynote address gave a detailed historical overview of contribution of women at national and international level and also vociferated how the concept of ecofeminism has evolved as a separate discipline to recognise the role that women play for sustainable development. The Inaugural session was followed by the technical sessions in which students from various semesters delivered their brilliant presentations. Besides more than 50 students from various semesters, faculty members from different departments also attended the program. Later in the valedictory session certificates of participation were distributed among the students and the Vote of Thanks was delivered by Prof.Nighat Digoo. The whole progamme was moderated by Prof. Sameena Mushtaq and coordinated by Prof. Syeda Laila Khalid.

Subject: Proposal for Memorandum of Understanding (MoU)

Sir,

I hope this letter finds you in good health and high spirits. The undersigned is writing to propose the signing of Memorandum of Understanding (MoU) between GDC Pulwama and the Indian Institute of Integrative Medicine (IIIM), Sanatnagar, Srinagar.

Our institution is deeply committed to fostering academic excellence and internship for candidates registered in various NSDC job roles. Considering IIIM's distinguished role in advancing integrative medicine and research, we believe that a collaborative framework will mutually benefit both institutions.

Through this proposed MoU, we aim to:

Facilitate collaborations in the fields of Agriculture and Life Science based skill courses (Job Roles)

Provide hands-on training, internships for candidates enrolled in skill courses, enable access to IIIM's state-of-the-art facilities and expertise to advance student learning and skill development.

I would be pleased to discuss the modalities and formalities of this proposed partnership and look forward to a positive response.

Thanking you in anticipation.

Yours sincerely,
