

SKILL DEVELOPMENT CELL GOVERNMENT DEGREE COLLEGE PULWAMA

Report On Awareness-Cum-Sensitization Programme

"Agri Novate 1.0: Redefining Organic Agriculture through Innovations and Start-ups"

The Skill Development Cell of the college, in collaboration with the Sher-e-Kashmir Innovation, Incubation and Entrepreneurship Centre, organized an Awareness-cum-Sensitization Programme titled "*Agri Novate 1.0: Redefining Organic Agriculture through Innovations and Startups*." The event aimed to promote innovation-driven agricultural entrepreneurship among students, with a special emphasis on organic and sustainable farming practices.

The programme witnessed active participation from the specialized skill-oriented departments of **Horticulture Technology, Veterinary Technology, and Agriculture Technology**, whose faculty and students contributed significantly to the interactive sessions. **Prof. Haris Izhar Tantary**, Principal of the college, presided over the event. In his presidential address, he highlighted the immense potential of agricultural innovation in transforming rural economies and urged students to explore entrepreneurship as a viable career path rather than relying solely on conventional employment avenues.

Dr. Naveed Ahmad Lone, Coordinator of the Skill Development Cell, formally welcomed the participants and provided an overview of the programme objectives. He emphasized the importance of skill-based interventions and startup ecosystems in reshaping the future of organic agriculture.

Resource persons from Sher-e-Kashmir Innovation Centre deliberated on various dimensions of agri-innovation, including *organic value chains, technology integration in farming, agri-based startups, and government support schemes available for young entrepreneurs*. The sessions were highly informative and inspired students to consider problem-solving approaches within the agricultural sector.

The proceedings concluded with a **Vote of Thanks** delivered by **Dr. Khan Mohd Idrees**, Assistant Professor, Veterinary Technology. He expressed gratitude to all dignitaries, speakers, participants, and organizing members for making the event a success.

DEPARTMENT OF ECONOMICS GOVERNMENT DEGREE COLLEGE PULWAMA

Report of Capacity Building for Entrepreneurship/ Workshop

With reference to the communication received from the District Development Commissioner, Pulwama (Order No. 042DE&CCPUL, dated 31/07/2025), it is hereby recorded that the students of the Department of Economics, Government Degree College Pulwama, participated in the *Capacity Building for Entrepreneurship Workshop* organised by District Employment and Counselling Centre Pulwama, held at ITI Pulwama

During the workshop, the resource persons delivered insightful deliberations on various dimensions of entrepreneurship. The sessions encompassed both theoretical perspectives and practical experiences. A highlight of the programme was the live interaction of the students with successful entrepreneurs, which provided valuable exposure to the contemporary issues, challenges, and opportunities in the field of entrepreneurship.

SKILL DEVELOPMENT CELL GOVERNMENT DEGREE COLLEGE PULWAMA

Skill Development Cell, GDC Pulwama, in Collaboration with JKEDI Pulwama Organizes Orientation-cum-Sensitization Program

Skill Development Cell of Government Degree College (Boys), in Collaboration with Jammu and Kashmir Entrepreneurship Development Institute (JKEDI), Pulwama, organized an orientation-cum-sensitization program for the faculty and students of the college as part of the preparatory activities for the upcoming *Start-up Idea Challenge (Boot Camp)* under the J&K Startup Policy 2024–2027.

The event was presided over by the Principal of GDC (Boys) Pulwama, who emphasized the significance of entrepreneurship and skill development in shaping the future of youth. The program began with introductory remarks by the Convenor of the Skill Development Cell, who highlighted the objectives of the session and underlined the importance of fostering an entrepreneurial mind-set among students.

The District Nodal Officer, JKEDI Pulwama, delivered an insightful lecture on the vision and objectives of the J&K Startup Policy, the role of youth in driving innovation, and the need to translate creative ideas into viable business ventures. He also informed the participants about the various opportunities and support systems available under the startup ecosystem of Jammu & Kashmir. Encouraging both students and faculty members to actively participate in the forthcoming *Start-up Idea Challenge*, he urged them to make the best use of JKEDI's support framework to transform innovative ideas into successful entrepreneurial ventures. The events concluded with a formal vote of thanks.
