Best Practices

Describe at least two institutional best practices. Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

1- **TITLE OF THE PRACTICE: Blood Donate camp**

2- **GOAL**

- a) Organize blood Donation camp and save people life.
- b) To help poor people.
- c) To enrich blood bank of Pulwama District Hospital for emergency services

3- **CONTEXT:** The College has a role to play for community in respect of which the College organized a Blood Donation Camp to commemorate the Death Anniversary of Shri Laxmanji Motghare and Smt. Sewantadevi Motghare on 9th of July 2018.

4- **THE PRACTICE & THE EVIDENCE OF THE SUCCESS:**

- a) A notice was issued to the effect that a Blood Donation Camp shall be held in the premises of the college. The students volunteering to donate blood were asked to register their names with the concerned official (NSS Programme Officer).
- b) Subsequently, a team of doctors and paramedics from District Hospital visited the college and earmarked a place where beds and other furniture could be installed to safely carry out the activities of the camp. The date for the camp to be held was also finalized.
- c) Finally, the camp was held on 9th July 2018 in which a gamut of students and faculty members participated and donated blood. The NSS Volunteers were very handy in organizing the camp and carrying out the modalities thereof.
- d) Refreshment was given to those who donated blood and helped in organizing the camp.
- e) The list of donors and photographs of the event are available with IQAC of the college, as proof of the event having been conducted.

- **PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:** Many female students of the college were willing to donate blood to the camp but the same was refused by the medical staff citing reasons of female students being anemic, in most cases. The female students, however, got demotivated for any such future endeavors.

2- **TITLE OF THE BEST PRACTICE: Academic and Administrative Audit by IQAC.**

- **GOAL:**
 - a) To sensitize the departments and the faculty about quality culture improvement.
 - b) To collect data under various parameters and scrutinize the same for loopholes, if any.
 - c) To redress the problems or loopholes faced by the departments in the subsequent academic year.
- **CONTEXT:** The IQAC has the endeavour to sensitize the faculty about the role and functioning of their departments for earmarking any loopholes and redressal mechanism. In this context, the College IQAC conducted an **Academic and Administrative Audit** of various departments of the college during the academic year 2018.
- **THE PRACTICE AND THE EVIDENCE OF SUCCESS:** The practice was achieved through:
 - ❖ A Proforma for the Academic and Administrative Audit (AAA) was prepared based on certain parameters.
 - ❖ The Proforma was circulated among the various departments.
 - ❖ A month's time was given to the Departments of the College to resubmit the filled Proforma attached with proper proofs.
 - ❖ The data was scrutinized, compiled and used to fill the details in AISHE/AQAR
 - ❖ The deficiencies were communicated to the Heads of Departments so that the same may be addressed in the next academic year for improving quality culture in the College

- **PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:** We did not encounter any problem for this practice.
