# Message from Worthy Principal

I am delighted to announce the release of our College prospectus for the academic year 2024-25. This prospectus showcases the recent advancements and developments at our esteemed institution, including infrastructure enhancements, new academic offerings, advancements in IT, and a rich array of curricular and extra-curricular activities.

A significant highlight this year is the complete digitization of our campus, marking a pivotal step towards a more technologically integrated learning environment. This initiative underscores our commitment to providing you with cutting-edge resources and opportunities.

Education plays a crucial role in societal development by empowering individuals to understand both the world around them and their own potential. It's not merely about acquiring knowledge and skills; true education aims to nurture the best qualities in each of us. At its essence, education encompasses the pursuit of knowledge, human values, cultural appreciation, and practical wisdom—values we hold dear at GDC Pulwama.

Our college not only focuses on academic excellence but also emphasizes character development and holistic growth. Through diverse educational programs and a supportive environment, we aim to cultivate well-rounded individuals equipped to excel in their chosen paths.

In line with this commitment, we are excited to introduce new science and arts courses this semester, broadening your academic horizons and preparing you comprehensively for future endeavors.

I extend my heartfelt congratulations to the Admission Committee for their diligent efforts in compiling this comprehensive prospectus, which encapsulates the vibrancy of our institution.

As you embark on this academic journey, I encourage each of you to make the most of the facilities and opportunities available at GDC Pulwama. Let us strive together towards achieving academic excellence and personal growth.

**Dr Haris Izhar**  
**(Principal)**

## Message from Convener, Admission Committee

As the Convener of Admission Committee, it brings me immense pleasure to extend a warm welcome to all of you for the academic year 2024-25. Our college, steeped in history as one of the oldest institutions in Jammu and Kashmir, is honored to have you embark on this exciting journey of higher education with us.

We understand that starting this new chapter may bring forth questions and concerns, and we want to assure you that our college is fully committed to supporting you in every step of the way. Whether it's academic guidance, resources, or any other assistance you may require, we are here to ensure your success.

At Government Degree College Pulwama, we take pride in our diverse range of programs and courses designed to cater to your various interests and career aspirations. Our experienced faculty and staff are dedicated to providing you with a high-quality education that not only prepares you for the workforce but also equips you with skills for lifelong learning and growth.

Furthermore, our campus boasts state-of-the-art facilities and services aimed at enhancing your learning experience. From ICT-enabled classrooms and cutting-edge labs to sports facilities, we have everything you need to thrive and grow academically, physically, and personally.

I encourage each of you to take full advantage of the numerous opportunities available at our college, whether it be engaging with faculty renowned for their research, participating in extracurricular activities, or connecting with fellow students. These experiences will not only enrich your academic journey but also help you develop essential skills and forge meaningful connections that will last a lifetime.

As you peruse through this prospectus, may it serve as a helpful guide showcasing all that our college has to offer. We eagerly anticipate welcoming you to our campus and supporting you on your path towards achieving your academic and professional aspirations.

**Dr Javaid Ahmad Reshi**  
**(Convener, Admissions Committee)**

## Message from Convener, Publications and Documentation Committee

Dear students,

As a representative of the Publishing Committee, it gives me immense pleasure to introduce the Admission Prospectus for the academic year 2024-25. This year, we tried embracing digital technology by prioritizing the digital issue of our prospectus over traditional hard copy format. This shift reflects our commitment to sustainability and accessibility, ensuring that vital information about our esteemed institution reaches you swiftly at your fingertips.

In this prospectus, you will find comprehensive details about the various programs, facilities and the vibrant campus life awaiting you at the college.

We have arranged information about the departments and their faculties alphabetically in accordance with the evolving educational landscape where interdisciplinary learning is encouraged under the National Education Policy (NEP 2020) and the boundaries between different programmes and courses have been diluted.

I extend my heartfelt thanks to the Principal, the members of Admission Committee and all the members of the Publications and Documentation Committee for their unwavering support in making this initiative a reality. Their guidance and dedication have been invaluable.

We are eagerly waiting to welcome you to our rich college community to guide you towards a future filled with knowledge, growth and success.

**Mohmad Aarif Khanday**  
**(Convener, Publications and Documentation Committee)**

# About the college

Government Degree College, Pulwama is among the well-established colleges in the UT of J&K. This college, being a co-educational institution, has a total enrolment of more than 3000 students. It was established in the year 1986, with a few subjects of arts stream. Science subjects were introduced during the academic session 2002-03 and Computer Science was incorporated in the curricular network of the institution in 2006, followed by Commerce Stream in 2010.

The college is located on Pulwama–Newa Road at a distance of 1.5 km from the main town with District Court Complex, District Sports Stadium and District Horticulture Office in the vicinity. The college is presently spread over an area of 66 kanals of land.

The college, with a strong infrastructural backup, is known for its excellence in academic and co-curricular activities. In addition to the highly qualified human resource, the college houses capacious and well-equipped laboratories in Science Blocks for all Science subjects to acquaint the students with latest instrumentation and scientific developments. The college houses 32 classrooms including 16 Smart Classrooms and an impressive library housing around 32000 books on varied subjects with an active subscription to twenty national magazines. Moreover, the college offers facilities like EDUSAT, IT Support, UGC Network Resource Centre, Multidisciplinary Research Center and eContent Development Center. Career Counselling Cell, Physical Education, Recreation Hall, Dispensary, Canteen, JK Bank ATM, OBC hostel, auditorium and other student support services are also available. The college has a vast playground where various sports activities are carried out throughout the academic session. The college is under 24x7 CCTV surveillance integrated with RFID based Access Control System.

The college stands affiliated to UGC under section 2(F) and 12(B) of 1956 Act vide UGC letter dated: 19-04-2003. It is a matter of pride that the college went through a successful NAAC inspection in the month of March 2022 and was awarded grade 'A' with CGPA 3.12. This reflects the achievements and overall development the college has made over the years. Besides, the college has the potential to grow into an institution of excellence with the collaborated effort of the teachers, students and social communities.

The Department of Biotechnology (DBT) of GoI, after having recognised the 'ambition and potential for excellence' of the college, awarded the college with DBT STAR College status to provide academic and physical infrastructure for achieving excellence in teaching and unique exposure of students to experiential science. Under the scheme, the college is expected to receive a grant of approximately 1.8 crore.

# PLANNING

## Our Vision

·To strive for nurturing morally upright, socially sensitive, economically independent and educationally enlightened human resource.

## Our Mission

- The institution shall continue to focus on creating student-centric and eco-friendly atmosphere all along the campus and concentrate upon resolving burning national issues like un-employment and women empowerment.
- The institution shall continue to fulfill its social obligations viz. eradication of illiteracy and social evils besides service to common masses through its outreach programmes by involving voluntary groups and clubs.
- There shall be unabated efforts to improve and refine the infrastructure and manpower resources to earn “Potential for Excellence” for the institution.

# **College committees to help you**

The Institutional Governance of the college is exercised by the College Principal who is assisted and advised by a number of designated committees. These committees are constituted at the commencement of the session every year. However, the College Advisory Committee is an umbrella committee that advises the Principal on all issues and matters that might not fall directly within the purview of any of the designated committee.

## COLLEGE ADMISSION COMMITTEE

## ABOUT DEPARTMENT

**Year of establishment: 2017**

Programmes offered:

- 4 year Bachelor's programme with Biochemistry as Major/ Minor

**Intake capacity: 80**

Our department offers a vibrant and comprehensive undergraduate program designed to foster a deep understanding of the fundamental principles of biochemistry. Whether you're pursuing a major or a minor, our dedicated faculty and cutting-edge resources will empower you to unravel the mysteries of life at the molecular level. Our curriculum combines rigorous coursework with hands-on laboratory experiences, giving you the skills necessary to excel in this dynamic field. We're passionate about understanding the molecular basis of life, and we invite you to join us in this exciting endeavour. Whether you choose to major or minor in biochemistry, you'll be part of a supportive community that values discovery, collaboration, and intellectual growth. Prepare to be inspired, challenged, and equipped for a future where you can make a meaningful impact on the world through the lens of biochemistry.

## ABOUT DEPARTMENT

**Year of establishment: 1986**

- Programmes offered:
  - 4 year Hon's programme with Education as Major/ Minor

**Intake capacity: 80**

### Summary/ achievements

The Department was established in the year 1986 for imparting education to the under graduate students. Presently, there are more than 900 students enrolled in the department. The Department has witnessed consistent improvement in the performances of its academic and placement records. The syllabi are modified and updated from time to time to meet the demands of the changing situation and to meet the requirement of the students. The students are also encouraged to get hands on experience to develop their skills of teaching and community services. They also undertake projects relating to the concerned subject which help them to understand and realise the value of teamwork. The teachers also encourage them to actively participate in different extracurricular activities and to get religiously involved in whatever they do for the good of the society and themselves.

The Department of Education has a rich source of books on all topics of education and allied subjects. At present there are approximately 850 books, magazines of high repute, encyclopedias, reports of various committees and commissions in the college library.

**Intake capacity: 80**

- **Summary/ achievements**

The Department of English Language and Literature is one of the oldest departments of the college and has the same year of inception as that of the college. English language being a lingua franca, our department holds a significant position in the college. The department serves approximately 2000 undergraduate students yearly. The eight (08) permanent faculty members of the Department, driven by a combination of excellence and professional acumen foster the accomplishments of undergraduate students through their distinctive interests and student-centered and learning-focused teaching. Being one of the oldest departments of the College, Department of English Language and Literature contributes in essential ways to students' personal growth, knowledge, and critical thinking abilities. We are committed to innovative teaching, scholarship, and service that promote cultural awareness, unity in diversity, and ethical responsibility through the study of language and literature.

The English Language and Literature Department's graduates go on to choose successful careers at different levels – in education, research, professional-writing, editing, publishing, journalism and entrepreneurship. With its strong emphasis on developing students' strengths as creative and critical thinkers, with a strong foundation in the humanities, our graduates have proved their mettle in various areas and at different fora.

# **Procedure for Admission**

# PROCEDURE/STEPS FOR BG 1ST/2ND SEMESTER ADMISSION (BATCH 2024)

1

Submit the online registration form of J&K (UT) Higher Education Department, Undergraduate Admission Portal for BG 1st/2nd semester (Batch 2024) at: <https://jkadmission.samarth.ac.in/index.php/site/login>

2

After successful registration at the J&K (UT) Higher Education Department, Undergraduate Admission Portal website with unique identification number (UID) mentioned on it, take a print out of the registration form. The information to be filled on registration form for UG Programs includes name, father's name, mother's name, date of birth, gender, religion, caste category, sub- category, address, class XII details ( Board, roll number, passing year), AADHAAR number, mobile number, ABC-ID, Digi-locker ID and email address and will upload photograph. After filling all necessary information, click on submit form button and take a print out of the form.

3

Allocation of seats to a candidate is purely provisional and is subject to verification of original documents by the respective college.

4

At the conclusion of JKCSAS-2024, all candidates allocated with provisional seat would have to report to the allotted College and complete all the admission formalities specified by the College including submitting the required original documents and certificates for verification.

5

The College will carefully examine the submitted documents during the physical verification process. If any document is found inadequate, insufficient, or inappropriate, it may lead to the cancellation of admission, ipso facto. Further, such a candidate will forfeit the opportunity for admission in any UG Program offered by the Government Degree Colleges of J&K for the Academic Session 2024-25.

6

After proper application verification in the college, candidates may proceed to pay the online fee.

7

The candidate desirous of seeking admission will have to Submit hard copies of the E Samarth admission form, and the exam fee receipt along with other documents (List on next page)

# DOCUMENTS REQUIRED

1

10th/ DOB certificate self-attested photocopy(two in number).

2

12th marks certificate self-attested photocopy (two in number).

3

Provisional certificate

4

Character certificate in original of the institution last attended.

5

Category certificate, if applicable.

6

Orphan certificate, if applicable.

7

Physically challenged certificate, if applicable.

8

Migration certificate, if applicable.

**Programmes offered,  
features, course  
combinations and  
eligibility**

## ELIGIBILITY OF MAJOR AND MINOR SUBJECTS UNDER NEP 2020

Admission shall be made on the basis of the score obtained in the domain subject by the applicant. However, every student shall be required to qualify the General Test. The admission in the subjects, where CUET is not conducted, shall be made on the basis of score in the General Test only. Seats that may remain vacant after admission on the basis of CUET, shall be filled on the basis of merit in the qualifying examination.

## **SUBJECT GROUPS FOR SELECTION OF MAJOR AND MINOR SUBJECTS:**

In order to overcome the inadequacy of infrastructure and human resource in the Higher Education Institutes (HEIs) , to accommodate the Time-table within the College working hours and also to reduce the number of term-end Examination days all the subjects on offer have been categorized in to 6 groups, with the first five groups comprising Major / Minor Subjects and the 6th group comprising only Minor Subjects.

Under this framework every student shall opt for Two Disciplines of his / her choice (One as a Major and One as a Minor) from the same stream based on interest and eligibility, covering different “Subject Groups”. These two subjects shall be a common thread from 1st to the last Semester of the Programme for every student.

The Major subject may be chosen from one of the first five groups, while the Minor Subject can be selected from any of the six Groups, except for the group from which the Major has been chosen.

The students choosing Major as well as Minor Subjects from the first five Groups shall have a flexibility of swapping the Major and Minor Subjects in 3rd Semester, subject to availability in the college and eligibility (to be determined by the college concerned). However, if a student selects a Minor Subject from 6th Group, (designated as Minor Group), exercising this option shall not be available.

Can Choose only one Subject from one Group, as a Major / Minor Discipline (DSC / Core):					May Choose a Subject as Minor only:
Group I	Group II	Group III	Group IV	Group V	Group VI

## FEATURES OF FOUR-YEAR UNDERGRADUATE PROGRAMS UNDER NEP 2020:

- I. All Bachelor's Degree programmes are full-time regular courses for the specified duration as per National Education Policy (NEP-2020), with Multiple Exit and Entry systems at various stages after even semesters, from the academic session 2022 and onwards.
- II. As per the UGC Guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions, candidates who secure a minimum CGPA of 7.5 in a three-year Bachelor's Degree Programme shall be allowed to continue studies in the fourth year of the undergraduate programme to pursue and complete the Bachelor's Degree with Research/ Honors'. For admission reservation policy shall be implemented as per S.R.O. 127 dated: - 20-04-2020 read with S.R.O. 249 dated: - the 3-07-2021.
- III. Selection of the candidates from the reserved categories shall be made strictly based on of academic merit and validity of respective reserved category certificates as the case may be. No under-process certificate shall be accepted at any cost.
- IV. Candidates shall ensure to obtain the ABC id from the Academic Bank of Credits Portal by registering on the portal making use of their Aadhaar linked mobile numbers and enter the 12-digit ABC id on their online Admission forms in order to avail the mobility options under Academic Bank of Credits.
- V. Each student shall have to opt for Two Disciplines of his / her choice (One as a Major and One as a Minor) from the same stream based on interest and eligibility. The subjects, however, have to be chosen from two different "Subject Groups". Subjects specified in Group VI can be opted for as Minor subjects only.
- VI. In addition to these, every student shall opt for One Multidisciplinary Course from the same list with the condition that the course opted for has to be different from the Major / Minor Courses and different courses have to be chosen in each of the three semesters and shall not be repeated in any semester.
- VII. Besides the above three disciplines each student shall have to opt for One Skill Enhancement Course (SEC) vertical from a pool of such courses in the first three Semesters. A student has to also choose One Ability Enhancement Courses (AECs) in each of the first three Semesters as per the scheme breakup.
- VIII. A student has to also choose One Value Added Courses (VACs) in the first two Semesters and Two Value Added Courses (VACs) in 3rd Semester as per the scheme breakup.
- IX. Flexibility to move from one disciplinary area of study to another within the duration of study.
- X. Opportunity for learners to choose the subject/learning area of interest;
- XI. Facilitating multiple entry and exit options: with certificate, diploma/degree depending upon the number of credits secured;
- XII. Flexibility for learners to move from one institution to another to enable them to have a multi and/or interdisciplinary learning;
- XIII. Facilitating switching to alternative modes of learning (face-to-face, on- line learning, and hybrid modes of learning).

# SCHEMES OF MAJOR PROGRAMS:

## 1. UG Degree Programmes with Single Major:

A student has to secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a single major. For example, in a 3-year UG programme, if the total number of credits to be earned is 120, a student of Physics with a minimum of 60 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 160, a student of Physics with a minimum of 80 credits will be awarded a B.Sc. (Hons./Hon. With Research) in Physics in a 4-year UG programme with single major.

## 2. UG Degree Programmes with Double Major:

A student has to secure a minimum of 40% credits from the second major discipline for the 3-year/4-year UG degree to be awarded a double major.

For example, in a 3-year UG programme, if the total number of credits to be earned is 120, a student of Physics with a minimum of 48 credits will be awarded a B.Sc. in Physics with a double major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 160, a student of Physics with a minimum of 64 credits will be awarded a B.Sc. (Hons./Hon. With Research) in Physics in a 4-year UG programme with double major.

## 3. Interdisciplinary UG Programmes:

The credits for core courses shall be distributed among the constituent disciplines/subjects so as to get core competence in the interdisciplinary programme. For example, a degree in Econometrics requires courses in economics, statistics, and mathematics. The total credits to core courses shall be distributed so that the student gets full competence in Econometrics upon completion of the programme. The degree for such students will be awarded as B.Sc. in Econometrics for a 3-year UG programme or B.Sc. (honors') / B.Sc. (honor's with Research) in Econometrics for a 4-year UG programme.

# Discipline

# DISCIPLINE

College administration monitors the conduct of the students in the campus. Students have to observe the following rules:

I. It is mandatory for every student to maintain proper discipline in the college campus. Any kind of act by the student that amounts to indiscipline will make him/her liable to imposition of heavy fine or even expulsion from the college.

Students must carry the Identity Card with them on all working days and should produce the same as and when asked for.

II. Smoking inside the college campus is strictly prohibited.

III. ***Pursuant to the directive from the Honorable Supreme Court and endorsed by the Honorable High Court of J&K, the UGC and the Higher Education Department J&K, ragging in the educational institutions has been banned under law and, therefore, any student found involved in ragging in the College will be dealt with under rules which can include even expulsion from the institution.***

IV. A student shall be allowed to appear in the examination only if he/ she has obtained at least 75% attendance in all the subjects.

V. Pursuant to the directive from the UGC, the sale and consumption of junk food is prohibited in the college campus.

# UNIFORM

Students must come to the college in proper uniform. The College administration has set the following uniform for boys and girls studying in the college:

Boys: White Full Sleeves Shirt and Black Formal Pants, Black sweater (whenever needed)

Girls: Light Brown Frock (Light Chocolate Colour) and/or Abaya, White Shalwar and White Chunni, Black sweater (whenever needed).

## IDENTITY CARD

Once enrolled, the students will be provided with identity cards which they will have to carry with them at all times. In case of loss, the duplicate I-card may be issued to the student against a cash payment of Rs.100 and an affidavit duly attested by 1st class magistrate stating the reasons and circumstance which led to the loss.

# **Student facilities**

# LIBRARY

The library functions as an important resource centre, fulfilling the academic needs of students, faculty and other staff members. All the housekeeping activities are performed in an automated environment using SOUL 2.0. The library is equipped with modern gadgets of information technology and latest methods/ techniques are used for information processing, retrieval and dissemination.

The library houses around 32000 in the form of textbooks and reference books.

E-resources: The library subscribes to N-LIST database of INFLIBNET through which online access is provided to hundreds of reputed journals and thousands of E-books. The library members need to register for online access to the database.

## **Regulations for access:**

a. Membership: All bona fide students, faculty and other staff members of the college are eligible for membership.

b. Loan Period:

Student: 1 book for 14 days

Faculty: 5 books for 30 days

Official: 3 books for 20 days

c. Overdue Charges:

- For the period of 10 days from the due date of return: INR 1 per day per book.

- For the period beyond 10 days from the due date of return: INR 2 per day per book.

d. Fine for the Lost Material:

- In case of books published in India: 5 times the price of the original book.

- Foreign Publication: Price of the original book as per present rates plus 20% of the price. The library accepts replacement of the actual book(s) as well.

e. Restrictions: Reference books, magazines/ journals, newspapers and other reading materials, exclusively to be used in the library, are not allowed to be carried beyond the premises of the library.

## Facilities/ Services

- a. Reading room: A well established and centrally heated reading room has been designated within the library having a seating capacity of 150 users.
- b. Career Corner: It houses material for the students interested in preparing for various competitive tests like IAS, KAS, GATE, NET, SET, PG entrance tests, etc.
- c. Newspaper section: The library has subscribed to various reputed magazines and newspapers, both local and national.
- d. Reprography: Reprography/ xerox facility is available for the users at nominal charges.
- e. Browsing Centre: A well-established browsing center having sufficient number of computers to browse through the internet is available.
- f. Reference Section: The reference section houses encyclopedias, dictionaries, directories, hand-books, Atlas maps etc.
- g. Book Bank: The college library offers book-bank scheme for OBC/ ST/SC and specially-abled students. Under the scheme, students can borrow four (04) books for the whole semester which need to be returned before the end of the semester.

## Library users are advised to adhere strictly to the following instructions:

- I. *Smoking, noise, chatting etc. are prohibited in the library.*
- II. *Mobile phones should be switched off or put on silent mode within the library premises.*
- III. *Personal/ private books and bags are not allowed inside the library, these are to be deposited at the property counter.*
- IV. *Cash, jewellery and other costly things should **not** be deposited at the property counter.*
- V. *The library shall not be responsible for any loss or damage to the personal belongings left at the property counter.*
- VI. *Tearing off, marking and mutilation of pages of books is strictly prohibited and can invite penalization.*
- VII. *The activities inside the library are monitored through CCTVs.*

# CAREER COUNSELLING CELL

The college has a dynamic Career Counselling-cum-Guidance cell for the students desirous to know about the various skill courses of their choice and to pursue higher studies under different career options. The career counseling cell also conducts special placement / recruitment drives for students in collaboration with reputed national & multi-national companies. Under recruitment agencies like National Skill Development Corporation (NSDC), HIMAYAT, various placement programmes have already been conducted successfully during previous academic sessions. Similarly, ROOMAN Technologies and Alpine Group of Institutions also conducted awareness programmes in the previous sessions.

The career counseling cell also assists the PMUSP Cell (formerly PMSSS) in the verification and uploading of application forms. The aim of the scheme is to provide exposure to the J&K youth by providing access to various top ranking colleges across India. Fortunate enough, our college was selected as facilitation centre for the students. Our College is fully equipped with all the facilities for verification and uploading of application forms of desirous candidates for AICTE programmes. Our College through this centre also provides facilities like redressal of grievances of those students who approach us from time to time to clear their doubts. In the past, application forms of more than 1000 candidates were verified and uploaded on AICTE web portal and many grievances of applicants were satisfactorily addressed.

# CANTEEN

The college canteen provides a variety of affordable/ subsidised food and drink options (except junk food) thereby taking into consideration health and dietary requirements of the consumers. The performance of the canteen is monitored by the College Canteen Committee.

## PHYSICAL EDUCATION AND SPORTS

The department of Physical Education and Sports is headed by an adept Physical Training Instructor Mr Mudasir Ahmad Dar (MPed, MPhil, SET qualified) under whose supervision numerous outdoor and indoor physical activities are carried out. The department organizes interclass tournaments for both boys and girls in different indoor and outdoor games throughout the year. Moreover, the department participates in various college events organised by University of Kashmir and other institutions from time to time.

### FACILITIES

- I. A playground wherein all major and minor outdoor games are played
- II. A Table Tennis Hall for boys wherein TT and other indoor games like chess and carrom are played.
- III. A girls common room where girl students play various indoor games like TT, Carrom, Chess etc.
- IV. A well-equipped Health and Fitness centre where in desirous students spend a good time to maintain their physique.

## **SCHOLARSHIPS/ FINANCIAL AID (INTERNAL)**

The college provides financial aid to the regular students with economically challenged status and those who belong to other specified categories. After inviting applications on prescribed format from the deserving students, the applications are thoroughly scrutinized by the “Financial Aid Committee” followed by preliminary verification and interview.

## **SCHOLARSHIPS (EXTERNAL)**

In order to enhance Gross Enrolment Ratio (GER) in J&K UT, the government, from time to time, comes up with various scholarship schemes for economically backward, educationally backward and students belonging to minority community etc. Every year, College Scholarship Cell forwards nearly 2000 to 3000 applications to various agencies for different scholarships. Following is the list of different scholarships provided by government to college students through various agencies (see next page):

S. No.	Ministry/Department/Board	Scheme (s)	
1.	Ministry of Human Resource Development <a href="https://scholarships.gov.in">https://scholarships.gov.in</a> <a href="https://mhrd.gov.in">https://mhrd.gov.in</a>	i	Central Sector Scheme for Scholarships for Colleges & Universities Students
		ii	Central Sector Interest Subsidy Scheme
		iii	Prime Minister's Special Scholarship Scheme
2.	Ministry of Tribal Affairs <a href="https://tribal.nic.in">https://tribal.nic.in</a>	i	National Overseas Scholarship for ST Students for Studying abroad
		ii	National Fellowship and Scholarship for Higher Education of ST Students

9.	Ministry of Labour and Employment, GoI <a href="http://www.ncs.gov.in">www.ncs.gov.in</a>	i	Career & Employment Services

## BROWSING CENTRE

The college has a well-established Browsing Centre with high speed internet connectivity. Students enrolled in the college can access different journals, periodicals, books etc. in the browsing center.

## INNOVATION, ENTREPRENEURSHIP AND SKILL DEVELOPMENT

The Skill Development Cell of the college introduced a number of courses this year which may fall into one of the following categories:

1. Embedded skill courses which integrate skill development directly within the content of a specific subject or course.
2. Non-embedded skill courses which are standalone courses focused exclusively on developing a specific skill, separate from subject-specific content.

List of courses:

Sl. No.	QP/Job Role Name	NSQF Level	Total QP Hours	OJT Hours	Total Duration	Department Concerned
1	Nursery Worker	3	210	60	270	Botany
2	Medicinal and Aromatic Plants Grower	4	360	30	390	Botany
3	Business Correspondent/Facilitator	4	330	150	480	Economics/Commerce
4	Solar LED Technician	4	450	150	600	Physics/Electronics
5	Electrical Technician	3	270	150	420	Physics/Electronics
6	Ice Cream Processing Technician	4	330	0	330	Veterinary technology/Zoology
7	Yoga Wellness Trainer	5	450	0	450	Physical Education
8	Career and Education Counsellor	5	570	0	570	Education/Psychology
9	Small Poultry Farmer	4	360	30	390	Veterinary technology/Zoology
10	Mushroom Grower (Entrepreneur)	4	390	0	390	Botany
11	Chemist Store (Pharma, Biological Products and Medical Devices)	4	600	0	600	Chemistry
12	Junior Cyber Security Associate	4	390	60	450	Computer Science

The college has instituted an Institution's Innovation Council (IIC) to engage a large number of faculty, students and other staff in various innovation and entrepreneurship related activities such as ideation, Problem solving, Proof of Concept development, Design Thinking, IPR, project handling and management at Pre-incubation/Incubation stage, etc., so that innovation and entrepreneurship ecosystem gets established and stabilised in the institution.

# GRIEVANCE REDRESSAL CELL

A robust Grievance Redressal Cell is in place in the college. The students can approach the cell with any type of grievance/ complaint related to academic, discipline or co-curricular affairs. In addition, the students can drop their written complaints in 'Complaint-cum-Suggestion Box' installed at various places on the campus.

## TRANSPORT

Three buses are available in the college are also utilized during picnics, subject tours, sports events and allied activities.

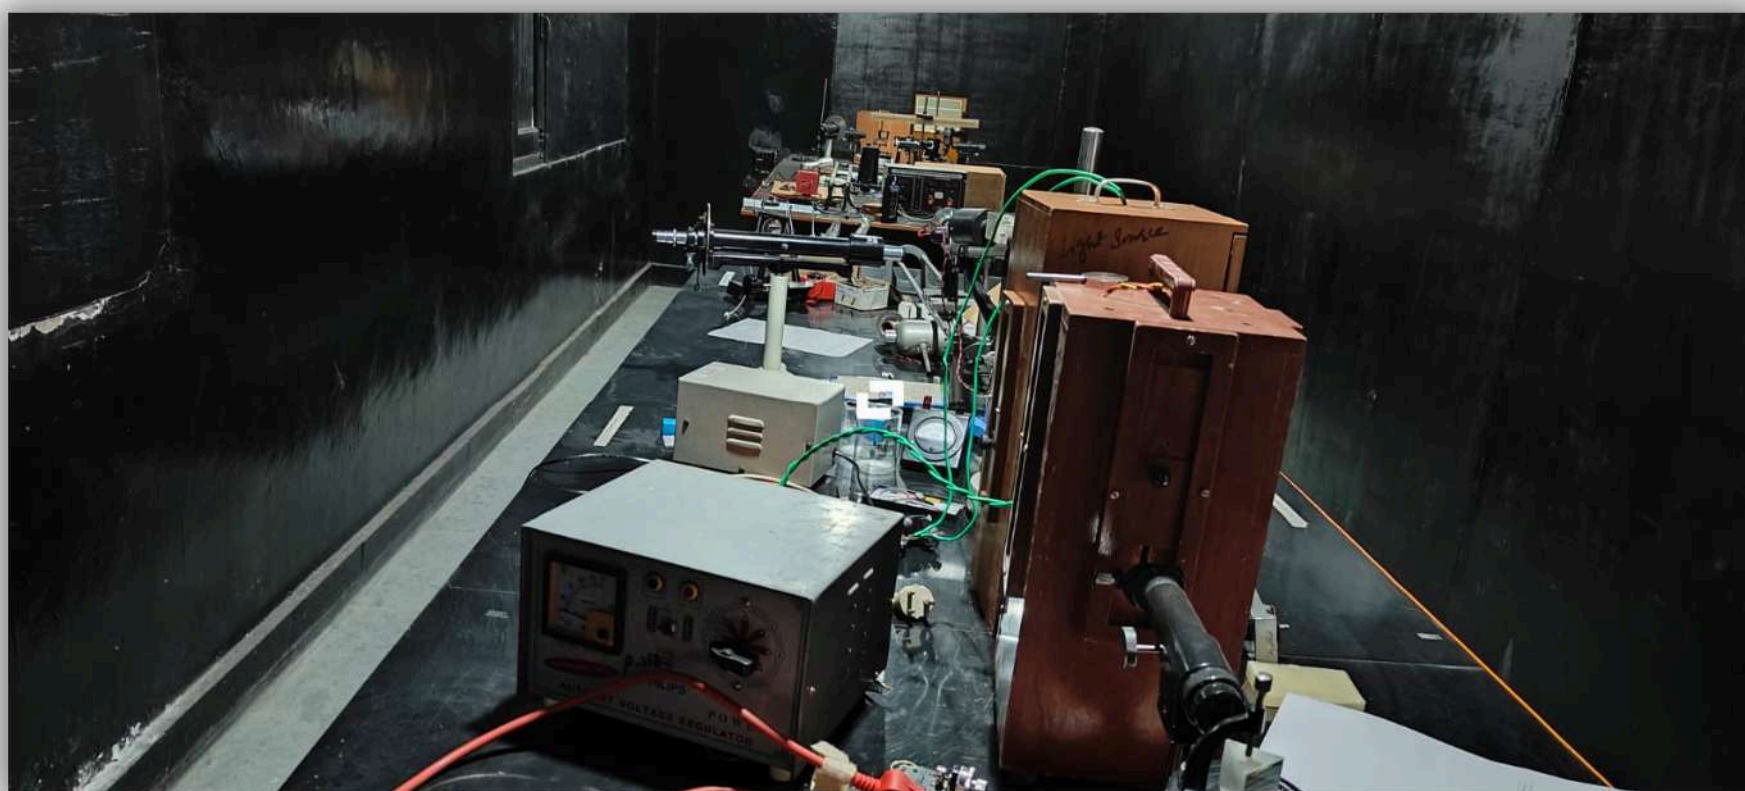

# LABORATORIES

The college is fully equipped with science laboratories catering to the experiential learning component of different courses.

Funding agencies like the UGC, DBT, DST, JKST and IC and the Govt of JK UT generously fund the college to procure the equipment and purchase the necessary instruments/ chemicals/ glassware. The college uses the same for the upgradation of science laboratories.

## **GIRLS COMMON ROOM**

For the convenience of girl students, the college administration has set up a Girls Common Recreation Hall facing sports ground of the college. Gym and sports equipment is also available in the common room for the girl students.

## **HEALTH AND FITNESS CENTRE**

The college has a well equipped Gym Centre/Health Fitness Centre where students and faculty take part in different types of physical exercises in order to develop their physique and maintain their bodily health. The Centre remains open for all students throughout the academic session.

## DISPENSARY/ FIRST AID CENTRE

The college has a well-equipped dispensary which provides Medical/First aid to the students throughout the academic session. Besides, the college is proximal to the District Hospital Pulwama, the services of which can be utilized in terms of need, A qualified medical assistant is available during the working hours for any medical emergency.

# NCC AND NSS

## **a. NATIONAL SERVICE SCHEME (NSS)**

To universalize the slogan NOT ME BUT YOU, the college has two NSS units, one each for boys and girls, working under two able and capable Programme Officers. The aim of the scheme is to develop the personality of the students and enrich their experience through community service. Besides, the volunteers are engaged in various activities of social utility including cleanliness, traffic awareness among the masses, Health and hygiene awareness among the backward areas and disaster management programmes.

## **b. NATIONAL CADET CORPS (NCC)**

To impart “Unity and Discipline”, the college has an NCC wing which focuses on imbibing qualities like courage, discipline, spirit of adventure and ideals of selflessness among the youth to make them responsible citizens. The cadets take part in various camps in and outside the UT of JK to prove their mettle. There is also a provision of taking the cadets on International Tours under NCC Youth Exchange Programme. The “B” & “C” NCC certificate holders have special reservation in University Admissions and recruitment plans in both Govt. & Semi-Govt. Organizations. The cadets can also avail the opportunity of getting scholarships under various schemes of NCC

## COLLEGE MAGAZINE

To groom creativity and literary taste among the students, the college publishes its annual magazine “ROMUSH”. The magazine is named after the famous fresh water stream flowing through West of the district Pulwama. The students write articles on the subjects of their choice and submit the same to the Convener College Magazine Committee for publication.

## CO-CURRICULAR ACTIVITIES

Co-curricular activities are given special importance due to their significance in overall development of the students. The college provides maximum possible opportunities to the students for expression of their talent through various programmes such as debates, discussions, quiz, symposia, Mushaira, dramas, skits etc.

## FIELD TRIPS AND TOURS

The College organizes subject tours as a part of Field Work besides a general picnic for all the students enrolled in the college. The tours and the picnic are aimed at breaking the monotony of confined classroom activities and exposing the students to a different environment. This gives the students a break from the routine and also an opportunity to enjoy and learn in the lap of nature. Moreover, an Educational Tour outside the valley is held annually, preferably during winter vacations. The students who are interested in the tour have to apply for the same in advance. It provides them an exposure to the outside world and develop a sense of national integration in them.

## ISSUANCE OF CERTIFICATES

Every student completing his/her degree as a regular student from the college will be issued Provisional, Discharge and Character certificates by the College. The certificates will be issued only after producing a No Demand Certificate from the College Library, Sports Department and the concerned department.

## EDUSAT

The college is equipped with EDUSAT Network through which teachers and students engage in interactive sessions with resource persons of different universities, colleges and research institutions. EDUSAT network system is installed in the ground floor of twelve-room lecture block.
