ABOUT DEPARTMENT

Year of establishment: 2017

Programmes offered:

- 4 year Bachelor's programme with Biochemistry as Major/ Minor

Intake capacity: 80

Our department offers a vibrant and comprehensive undergraduate program designed to foster a deep understanding of the fundamental principles of biochemistry. Whether you're pursuing a major or a minor, our dedicated faculty and cutting-edge resources will empower you to unravel the mysteries of life at the molecular level. Our curriculum combines rigorous coursework with hands-on laboratory experiences, giving you the skills necessary to excel in this dynamic field. We're passionate about understanding the molecular basis of life, and we invite you to join us in this exciting endeavour. Whether you choose to major or minor in biochemistry, you'll be part of a supportive community that values discovery, collaboration, and intellectual growth. Prepare to be inspired, challenged, and equipped for a future where you can make a meaningful impact on the world through the lens of biochemistry.

ABOUT DEPARTMENT

Year of establishment: 2006

- Programmes offered:
 - 4 year Hon's programme with Computer Applications as Major/ Minor

Intake capacity: 80

Summary/ achievements

The Department of Computer Sciences is one of the premier departments of the college and is located in the top floor of the old science block. Before the implementation of NEP 2020, the department was offering a 3-year Bachelors of Computer Applications (B.C.A.) professional program and also offered Computer Applications as one of the subjects in a conventional B. Sc. or B.A. program. Since 2022, the department is offering a 4 year UG Program with Major in Computer Applications. It also offers Computer Applications as a minor subject for students who are majoring in other subjects of the college. Besides this, the department offers three NSQF-based Skill Enhancement Courses as part of the four-year U.G. program.

The department has adequate infrastructure for the conduct of these programs. This includes 5 computer labs, a dedicated browsing centre, a departmental library as well as other support facilities including a solar based power backup system, etc. All the labs are equipped with teaching aids such as Interactive Smartboards, and a dedicated high speed internet facility is also available in the labs.

ABOUT DEPARTMENT

Year of establishment: 1986

- Programmes offered:
 - 4 year Hon's programme with Education as Major/Minor

Intake capacity: 80

Summary/ achievements

The Department was established in the year 1986 for imparting education to the under graduate students. Presently, there are more than 900 students enrolled in the department. The Department has witnessed consistent improvement in the performances of its academic and placement records. The syllabi are modified and updated from time to time to meet the demands of the changing situation and to meet the requirement of the students. The students are also encouraged to get hands on experience to develop their skills of teaching and community services. They also undertake projects relating to the concerned subject which help them to understand and realise the value of teamwork. The teachers also encourage them to actively participate in different extracurricular activities and to get religiously involved in whatever they do for the good of the society and themselves.

The Department of Education has a rich source of books on all topics of education and allied subjects. At present there are approximately 850 books, magazines of high repute, encyclopedias, reports of various committees and commissions in the college library.

ABOUT DEPARTMENT

Year of establishment: 1986

- Programmes offered:

- 4 year Hon's programme with English literature as Major/ Minor

Intake capacity: 80

- **Summary/ achievements**

The Department of English Language and Literature is one of the oldest departments of the college and has the same year of inception as that of the college. English language being a lingua franca, our department holds a significant position in the college. The department serves approximately 2000 undergraduate students yearly. The eight (08) permanent faculty members of the Department, driven by a combination of excellence and professional acumen foster the accomplishments of undergraduate students through their distinctive interests and student-centered and learning-focused teaching. Being one of the oldest departments of the College, Department of English Language and Literature contributes in essential ways to students' personal growth, knowledge, and critical thinking abilities. We are committed to innovative teaching, scholarship, and service that promote cultural awareness, unity in diversity, and ethical responsibility through the study of language and literature.

The English Language and Literature Department's graduates go on to choose successful careers at different levels – in education, research, professional-writing, editing, publishing, journalism and entrepreneurship. With its strong emphasis on developing students' strengths as creative and critical thinkers, with a strong foundation in the humanities, our graduates have proved their mettle in various areas and at different fora.
