From the Principal's Desk

It gives me immense pleasure to welcome you all to this great seat of learning. Government Degree College Pulwama has a chequered history of 34 years to its credit. These 34 years are dabbed with many a success story and the achievements of the college speak volumes of its unfailing resolve to serve the society. The College has produced a host of alumni who have made this college proud.

The college has well-established departments including science departments with fully equipped and state of art labs. The college has a capacious library with books of every kind including various journals and magazines. Apart from regular academic activities the college has IGNOU, MANUU and KU Distance Education study centres which offer a much needed helping hand to those who otherwise cannot make it to colleges and universities regularly. Moreover, the college administration has an insightful and futuristic view with regard to the facilities for the students. A spacious and state of art auditorium is under construction in the premises of the college which shall be completed in a year or so. The College boasts of eighty odd capable and efficient faculty members who, through their untiring efforts, impart quality education to the students. Our college is second to none when it comes to the achievements and accolades won in the panoply of competitions both outside and inside the college. Our pass-outs topped the entrance tests conducted for PG courses by Kashmir University, Central University, Islamic University of Science and Technology and Universities outside the state. The college has kept all kind of facilities available to its students viz., the canteen facilities, the Gym facilities, etc. The college has a sprawling play field for its students for multiple games like cricket, volley ball, hockey, football etc.

This Institution in its short history has reached many a good goalpost and shall scale dizzying heights In sha Allah. We are proud of our alumni who are in the farthest crannies of the world like Harvard, DU, JNU and who always remember this institution with the sense of pride. I would like to place on record my heartfelt gratitude to my staff members for their grit and hard work which shall go a long way in making this institution an abode of knowledge and erudition. I sincerely hope that this institution has a great role to play in securing the future of the society and shall always prove a fruitful intervention in the academic career of students. I once again welcome you all to this college and wish you a blessed stay here and a successful future in the times to come.

Thank you.

Prof. Farooq Ahmad Andrabi
Principal

COLLEGE PROFILE:

Government Degree College Pulwama is one of the biggest colleges in the J&K State. This college being a co-educational institution has a total enrolment of more than 4200 students including 30% females. It was established in the year 1986, with a few Arts subjects at that time. The Science subjects were introduced during the academic session 2002 and Computer Science was incorporated in the curricular network of the institution in 2006. The Commerce Stream got introduced during the academic session 2010. Geology, one more novel subject, was introduced in the year 2014. In addition, the college has introduced Biochemistry and Functional English as two new subjects in 2016. From the academic session 2020-21, few more interesting subjects Psychology, Bio-technology, Clinical Bio-chemistry and the some skill courses like Tel. & Film Making, Agricultural Technology, Veterinary Technology, Infrastructure and Engg., Pharmacy have been incorporated into the academic curriculum. Thus the college is treading on the path towards comprehension and excellence.

The college is located on Pulwama–Newa Road at a distance of 1.5 km from the main town and has District Court Complex, District Sports Stadium and District Horticulture Office in the neighbourhood. The college is presently spread over 66 Kanals of land through which a fresh water stream flows bestowing scenic beauty to the campus. The location and scenic beauty of this college renders the entire process of teaching –learning into a pleasurable activity.

The college offers diverse courses at undergraduate level in six streams: Science, Arts, Social Science, Commerce and Bachelor’s course in Computer Applications for which selection is made on merit of the students at 10+2 level. Our highly qualified, experienced and dedicated teaching faculty is committed to academic excellence and innovative teaching including Smart-Boards, Google Classroom and WhatsApp groups. In addition, our teachers inculcate moral values among students to help them to become good and responsible citizens of the society.

The college is known for its excellence in academic and infrastructural facilities. Capacious and well equipped laboratories are available in Science Block for all Science subjects to acquaint the students with latest instrumentations and scientific developments. The Geography and Computer Science departments are well equipped to meet the present challenges. The college has 32 capacious class rooms including 04 Smart Classrooms and a grand library with around 28000 books on varied subjects. Besides, the college has subscribed to 20 national magazines for the use of students. Moreover, the college has facilities like EDUSAT, IT Section, and UGC Network Resource Centre/Internet. Similarly, Career Counselling Cell, Physical Education, Recreation Hall, Dispensary, Canteen, JK Bank ATM and other student support services are also available here. The college has a vast playground where various sports activities are carried out throughout the academic session. All the activities within premises of the college are under the surveillance of CCTV cameras.

The under-construction OBC Hostel and Auditorium are likely to be functional in the academic session 2021.

The college stands affiliated to UGC under section 2(F) and 12(B) of 1956 Act vide UGC letter dated: 19–04–2003. It is a matter of pride that the college went through a successful NAAC inspection in the month of May, 2016 and was awarded grade B. This reflects the achievements and overall development the college has made over the years. But the efforts will not cease here. The college will strive even more than before to fetch grade A for it with the badge of potential for excellence. All the stakeholders including the student community have to come forward and work in unison in order to achieve this goal.
